

# RUN TO REMEMBER LOS ANGELES FACT SHEET

April 8, 2018

Join the LA Police, LA Sheriff's, LA City Fire and LA County Fire for the 3rd annual running of Run To Remember Los Angeles on April 8, 2018.

Honor all 1st Responders by celebrating their service and giving back to the community.

A sister race of the sell-out Run To Remember Boston, the event was started three years ago in Los Angeles by Police Officers and their friends to show support for those 1st Responders who have made the ultimate sacrifice and lost their lives in the line of duty.

Run to Remember Los Angeles highlights the history and glamour of Los Angeles as well as Hollywood while featuring all the amenities of a world-class road race.

Your run will begin at The Grove, known for LA's best shopping, dining and entertainment. Then you will receive red carpet treatment as you run through the backlot of Paramount Studios. Inside the studio lot there will be a very special tribute to 1st Responders that we have lost in the line of duty and a lineup of over 60 new and vintage police and fire vehicles. The course will take you through Hollywood hot spots and Los Angeles diverse communities. You will be entertained by some of the city's finest and pay tribute to those 1st Responders who have made the ultimate sacrifice and lost their lives in the line of duty. Crowds will cheer you on and give you the drive to make a difference. You will even see some celebrities along the way.

Net proceeds of Run To Remember Los Angeles benefits local youth and community programs supported by our 1st Responders. This includes the Sheriff's Youth Foundation, Operation Progress, Fire and Police: Cadets, Explorers and PAL programs, LA City and County Fire Department Foundations and programs of the Los Angeles Police Department and others.

We focus on customer service for our participants. Number pick-up and the Sports and Fitness Expo is on Saturday, April 7, 2018 at the Frank Hotchkin Memorial Fire Training Center. There will be fun for the whole family, including the free Kids Fun Run taking place at 10:00 a.m. Saturday, where participants will earn a t-shirt and a finisher's medal.

One of the highlights of the event is the 1st Responder Challenge. Teams of 1st Responders from across the globe can compete in the half marathon to earn money for their department's favorite charity. A team is made up of 5 or more active 1st Responders from a department. This is one of the many ways we are able to recognize our 1st Responders.

You can choose from 1 of 2 race routes, the 10K route or half marathon. Join us by registering now at [RunToRememberLA.org](http://RunToRememberLA.org)

We look forward to seeing you at the race!
